### **This is a Congratulations Notice:**

Whilst at this years Mod and Annual Conferences our esteemed Chair was awarded a "Field Promotion"

It is with great pride that I can now officially announce the following:

Colonel Stuart Harding has now won promotion to the Rank of Brigadier:

His Official Title is now:

### **"Brigadier Stuart Harding"**

His Promotion was granted for the unselfish way he has over the years kept several bar staff in employment, his successful efforts in taking in Solid Food at this year's event and finally giving employment to a member of the part time Nursing Community!
