UNITY! FREEDOM! SOCIALISM! - ONE CIVIL SERVICE UNION, ONE GLORIOUS DESTINY!

PCS TORCH RELAY

By Judas Iscariot

While delegates slept on in blissful ignorance yesterday, the early stirrings of the nascent PCS SPRING uprising were beginning to percolate through the watering holes of Brighton.

Wicked Witch of the North DIANE BREEN is trying to create a split in the BIG TENT. She's been telling most of Brighton and anyone else who'll listen that there is about to be a grand political realignment in PCS with 4TM joining IAN ALBERT'S PCS Democrats to form a new opposition group to LUNITY within the BIG TENT. In fact the momentous event took place last night at the KINGS Hotel when most of 4TM gathered to agree to make JAKE WILDE leader of their group with full powers to negotiate a deal with ALBERT.

Albert

There have already been two extended meetings between IAN ALBERT and 4TM's chief gurus, JAKE WILDE and WILLIE SAMUEL; one such, involving IAN and WILLIE took place in the Centre itself within sight of the more than usually curious JOHN McINALLY.

Samuel

Their immediate common ground is opposition to the crackpot political candidate ballot currently being touted by the grandees in the SOCIALIST PARTY. But there's more to come. The deal starts with JAKE taking the PCS Democrat whip on the NEC. Both sides will then agree to present common slates in HMRC and some of the minor groups. While all this is going on there will be two 4TM consultative conferences to rubber stamp the talks and the purge of those that are no longer of any further use to WILLIE and JAKE, such as HOWARD FULLER and HUBERT GEISCHEN.

BIG MAC is looking worried though his immediate concern is to hose down any remaining threat coming from the AITCHISON camp. Yesterday JANE took time out from her pressing duties to grace the PFL table where she politely suggested that the report of her successful throttling of the "son of the preacher man" motion (PFL #1104 Tuesday) was partially

inaccurate and the SOC were to blame, not her. “That stuff about the motion was bollocks” she said. Later in her farewell speech at close of the DWP conference JANE made it clear that she’ll be back. “I’ll be back” she said.

Myrtyyn Jynkyns

Veteran LUNITY cadre MARTYN JENKINS, an established amateur photographer and collector of gentlemen’s erotica, was thrown out of the DWP President’s annual bash by none other than JANE’S husband, ROB WILLIAMS, on the grounds that he voted against AITCHISON in the LU internal elections. Her followers seem determined to do their best to undermine the HEATHCOTE regime at every opportunity. How long they will be allowed to remain within LUNITY is another matter...

A side effect of the PCS SPRING is that SIMON COLLISON’S new faction K.I.S (PFL#1103-Monday) now has a fundamental problem: SIMPLE SIMON launched the faction to form a bridge between PCSD & 4TM. But now they’re doing that for themselves. Never mind, he can throw his weight behind the chumming-up, can’t he? Hardly. Why did he have to form his own faction in the first place? COLLISON previously resigned from 4TM and was thrown out of PCSD.

As we know (PFL Passim) HUGH “Swiss Tony” LANNING is already working towards a merger with Unite. If HUGO succeeds he will inherit an even bigger travel budget and have many more countries from which to collect fridge magnets.

HUGO will be more in tune with the Labour affiliations of UNITE boss LEN McCLUSKEY than our own great and glorious leader. However McCLUSKEY has said that if the merger goes ahead SERWOTKA will get his job when he retires in three years time. MAREK will then become the leader of the one the biggest unions in the European Union and the biggest single LABOUR PARTY affiliate in the country. He will, of course, be expected to join the LABOUR PARTY. Watch this space as we follow the greatest conversion since St.PAUL.

Naked Cyclist NEIL LICENSE is also hoping for a merger with Unite. He's already a member of both unions and merger will reduce his union subs. That doesn't mean he will buy a round anytime soon, though. By the way, it is a telescope that has been provided on the balcony of his sea-view penthouse, not a pair of binoculars. He has not used it yet as he has been spending all his time in the jacuzzi.

AUSTIN HARNEY, the “Independent Left” leader of the LUNITY bloc in MoJ, knows who's really in charge. AUSTIN, who claims IRISH ancestry, had to seek political clearance for Irish Night from BIG MAC before it was allowed to go ahead.

The Young Members Social last night looked lively – but distinctly middle aged. No shortage of Irish & Scottish accents there including PCS Scotland staff. Odd that they didn’t take the opportunity to pop along to the Irish social, especially as the Scottish night has finally been put out of its misery.

Mr GODRICH, DANNY WILLIAMSON is down in Brighton for his DLM. It's his first conference since becoming a full timer. Madam President is kindly letting him stay in the presidential suite.

GLENYS MORRIS delivered a long and boring valedictory speech to the MoJ Group conference. Demonstrating her lifelong commitment to the battle for equality, QUEEN GLENYS concluded her speech by "outing" the Group President. As part of the PCS Austerity program, the Group could only stretch to Cava not Champagne - much to GLENYS' refined distaste.

KERRY "feeble" FAIRLESS will soon be scooping the HQ pot to compensate for his humiliating defeat in the group elections. He's going to be found a role at FALCONCREST. Who's going to be sacked to make room and has Mrs PRIESTLEY been told?

Ms Whiplash has not appeared in the PFL this week

Downstairs the knives are out on the old codgers stall to secure the lucrative sinecure of the post of deputy general secretary that becomes vacant when JOHN AMOS (former CPSA Customs & Excise fixer) sails off into the sunset this autumn. The CIVIL SERVICE PENSIONERS ALLIANCE (CSPA) only has three paid officers, AMOS, MICKEY DUGGAN and SIR RALPH GROVES. MICKEY is the general secretary of this august body of mainly CPSA has-beens and he is angling to fill the post with GROVES, who currently edits the old gits magazine. However there are rumblings on the Executive Council by malcontents who say the post should be advertised and put to open competition.

DUGGAN'S cunning plan is to claim, with some justification given the pensioners current cash flow problems, that the CSPA cannot sustain three paid full-time officers and that RALPH could save them money by doing both jobs at the same time (which even the mighty GROVES could not sustain long term). DUGGAN will then raise the subs next year to provide the cash to fill the editorship with GROVES in place as his right-hand man.

Talking about money DERMOT HUDSON, a left activist in HMRC, had a problem with his conference expenses last week. An authorised cheque for £318 did not arrive and was duly stopped and reissued. It then transpired that the original cheque had been stolen, presumably by some enterprising individual in the postal service, and professionally doctored for another payee and had an extra zero added to it, taking it to £3,180. Fortunately, on this occasion, the UNITY Bank spotted it and refused to honour the cheque.

Tree Hugger Ruth Saunders denies calling her Branch Officers deadwood. She actually said JEDWARD.

Back in Bristol, former PCS NEC member STEVE "Pudding Head" COMER, a BORIS JOHNSON look-alike and onetime leader of the dominant Liberal Democrat group on the council is facing almost certain defeat when his council seat comes up for grabs next year. COMER may even poll as few votes as failed NEC candidate MARK BAKER did for TUSC (an obscure anti-EU leftist front led by BOB CROWE which rarely polls more than the MONSTER RAVING LOONIES). COMER led the campaign to prevent Bristol electing a Mayor which failed largely because he led it.

Inevitably PUDDING HEAD has emerged as the compromise choice for Mayor in November. He will be supported in that campaign by BAKER. That will definitely ensure a win for someone else.

Delegates have been bemused by a man dressed as SHERLOCK HOLMES wandering around the Centre over the past two days. Rumour had it that he had either stumbled into the wrong convention or that he was collecting for the HMRC WICK WANTS WORK campaign in traditional Highland dress. When approached by Colonel Islam it became clear that he was simply helping out on the HMRC charity stalls. He's HUGH MAKIN from Liverpool. He's not Scottish and he's got nothing to do with WICK WANTS WORK. That was being run by the man in the chicken suit.

PFLCPSA NEWS

Welcome to the Middle of the Show. Or, if your sentence did not include Group, welcome to Brighton. You haven't missed much so far. Nothing too exciting on the agenda and the weather's brilliant. Enjoy yourself.

As you can see left, the cleanup photo eventually arrived, though, on this occasion, never might have been better than late. Probationary Martyrdom has been arranged for the sundry anonymous sources. If you have anything more nutritious to offer: dropbox@pflcpsa.com is where you can send your secrets without fear of discovery.

New readers will be wondering what's going on. We haven't figured it out yet, so you've got no chance. The gist is this: the good people on the platform will tell you when you can go home. Until then, just follow the crowd, don't steal anyone else's seat and try to stay awake, at least while Doreen Lawrence is speaking. Most of us seem to get by that way.

For reasons known to no human, this is the 35th year of our sacred mission to inform, entertain and provoke. It works only because people like you still buy our silly super T Shirts (£12), ludicrous Self Immolation Starter Packs (£1) and bung donations in the box. It suggests we share a form of Social Psychosis which is, in most cases, sub clinical. We thank you from the bottom of our bucket.

If you don't manage to slip us your snippets during daylight hours, final Debriefing takes place in the OLD SHITE in the final hour of the bar. Get there early if you need a seat. Senior Agents may continue to use secret channels: Protocol KY should be used from midnight tonight.

What are you waiting for?
